Matan Markovitski

DAY 2: Thursday, September 21, 2022

08:30-09:00 REGISTRATION (ON-SITE)

09:00-10:25 SESSION 3

For whom does wealth matter more for health? Nativity wealth-health gradient in Norway

Maskileyson, Dina
Hünteler, Bettina

Working longer in good musculoskeletal health? Time trends and occupational inequalities in life years free of musculoskeletal diseases among the working-age population.

Juliane Tetzlaff
Jelena Epping

Left-behind and socially disconnected: Exploring the role of children's migration in social network and morbidity status of older parents

Shinjini Ray

10:35-12:00 SESSION 4

Drivers of inequalities in diabetes mortality between micro-regions in Hungary: The case of service deserts?

Katalin Kovács
Lajos Bálint
Zsófia Kollányi
Kitti Susovits
Péter Csépe

Premature mortality attributable to area-based socioeconomic deprivation in Germany between 1998 and 2019: An ecological cause-of-death analysis

Fabian Tetzlaff
Niels Michalski
Enno Nowossadeck
Jens Hoebel

Syndemic perspective of the (micro-)regional dimension of a health crisis

Pavĺina Netrdova
Dagmar Dzurova
Klara Hulikova

DAY 2: Thursday, September 21, 2022

13:30-14:55 SESSION 5

Changes in the modal age at death of ageing- and behaviour-related diseases in the US: A multiple causes of death approach

Jeroen Spijker

Paola Vazquez

Recent trends in multiple causes of death associated with dementia in Spain: educational differences and its impact on life expectancy

Jeroen Spijker

Elisenda Renteria

Julia Almeida

Sergi Trias-Llimós

Gabriele Doblhammer

Income and Consumption approach in the estimation of the premature mortality economic burden within Covid-19 pandemics. Evidence from Post-Soviet space

Vladimir Kozlov

15:10-16:35 SESSION 6

Life expectancy by religious affiliation in Finland 1972-2020

Julia Klein, Jan Saarela, Martin Kolk

Unexpected racial-ethnic Covid-19 inequality in Israel: The role of extreme spatial segregation

Ameed Saabneh

16:45-18:00 POSTER SESSION

DAY 3: Friday, September 22, 2023

09:00-10:25 SESSION 7

Suicide mortality in Russia in the post-Soviet period and specific features of its registration

Semyonova V.G.

Ivanova A.E.

Sabgaida T.P.

Zubko A.V.

Evdokushkina G.N.

Calculating a state occupancy distribution in multistate settings

Tim Riffe

Iñaki Permanyer Ugartemendia

Rustam Tursun Zade

Magdalena Muszynska-Spielauer

Immediate and long-term effects of chronic disease on health and life satisfaction

Barbara Stacherl

Odile Sauzet

10:35-12:00 SESSION 8

Health and socio-geographical disparities in post-COVID outcomes in adults aged 50+ in Europe: Has COVID-19 exposed divide between post-communist countries and the Western Europe?

Maika Ohno

Dagmar Dzúrová

Petr Smejkal

Europe's mortality potential – how far or near is it?

Adéla Pola

Klára Hulíková

Petr Mazouch

Temperature related deaths in Europe

Rosanna Gualdi

Risto Conte Keivabu

12:00-12:30 CLOSING REMARKS

Jon Anson, Klára Hulíková, Petr Mazouch, Katalin Kovács, Tim Riffe
Representatives of organizing institutions

PRACTICAL INFO

CONFERENCE VENUE

HUNGARIAN CENTRAL STATISTICAL OFFICE, MAIN BUILDING

Budapest, II. district, Keleti Károly utca 5-7.

Direction: The main building is a 2 min walk from the tram station “Mechwart liget”. Tram lines 4 and 6 are to take. From the station, please walk having a small park (Mechwart liget) on your right side.

Tram lines 4 and 6 encompass the inner city.

Any accommodation close to tram lines 4 or 6 would be comfortable.

GUIDELINES FOR AUTHORS

Oral presentation: there is around 25 min for each paper, we would like to devote enough time to discussion. The presentation could be sent in advance, please, always specify whether your presentation could be shared online.

Posters: recommended size for printed posters is 60 cm x 90 cm. Posters with landscape orientation with height 65 cm and width 90 cm are most welcome (those would fit perfectly). Any materials could be shared online, you can send it anytime before the event.

Transportation from the airport

TAXI

Citytaxi: (+36 1) 211 1111

Fötaxi : (+36 1) 222 2222

Taxi 6x6: (+36 1) 666 6666

Minibus: Collect 5-7 passengers and transport them to the exact address, thought it might take some time while your address comes on. 6 EUR

www.minibud.hu

PUBLIC TRANSPORT

100E a direct bus to the inner city (Deák tér), 2200 HUF, approximately 30 minutes

200E regular bus, at “Kőbánya-Kispest” where connected to metro line 2 (to Deák tér), approximately 50 minutes, (2x350HUF)

The second version is recommended since the direct bus is often crowded.

Public transport

Budapest pass for 24 hours: 2500 HUF, usually very useful

Tickets can be bought from purple boxes at the airport, too.
